

## Table Name EMS - FY2016 Response Time Performance

**Description** This table shows ATCEMS compliance with response time goals for entire fiscal years. Performance is broken out by response zone (City of Austin vs. Travis County) and response priority. Incidents are filtered using the following criteria:

- Exclude test, duplicate, and StarFlight problem types.
- Incident response priority between 1 and 5, inclusive. Exclude CAD priorities 0, 6, 7 and 8.
- Exclude Priority 5 Special Events and Preplanned Tactical Incidents.
- Include only incidents with ATCEMS call taker (prior to FY2018).
- Exclude incidents that do not have valid time stamps for <Time – Phone Pickup> and either <Time – Staging> or <Time – Arrived on Scene>.
- Exclude incidents occurring outside the ATCEMS service area (zone = 'Other').

**Row Label / Contents** Response time target compliance for one priority.

**Data Source(s)** CAD data

**Update Frequency** Annual

**Creation Date** 17 October 2018

**Created By** David Andersen

**Unique Identifier** 5vya-ijmv

**URL** <https://data.austintexas.gov/Public-Safety/EMS-Response-Interval-Performance-by-Fiscal-Year/5vya-ijmv>

**Tags / Keywords** ems, atcems, response time performance, operations, city of austin, travis county, 911, ambulance, emergency medical services

The following metadata is available in the “About” tab of the table in the Open Data portal, and is not replicated in this document:

- Last date updated
- Category (“Public Safety”)
- Permissions (generally “Public”)
- Row count
- Permalink
- Short URL
- Department (“Emergency Medical Service”)

### Data Dictionary

Column Name	Format	Description	API Field Name
Row ID	Number	Unique identifier for row	Row_ID
Fiscal Year	Text	Fiscal year	Fiscal_year
Incident Priority	Text	Final incident response priority as recorded in the CAD.	incident_priority

Column Name	Format	Description	API Field Name
City of Austin	Percent	Response time goal compliance within the full-purpose jurisdiction of the City of Austin, expressed as a percentage of all incidents. Limited purpose jurisdictions are not included in this measure.	city_of_austin
Travis County	Percent	Response time goal compliance in Travis County, outside the full purpose jurisdiction of the City of Austin, expressed as a percentage of all incidents. This area includes Austin's limited purpose jurisdictions.	travis_county
System-wide	Percent	Response time goal compliance for City of Austin and Travis County, combined, expressed as a percentage of all incidents.	system_wide
